Owen McGovern is board-certified appellate specialist who understands that exceptional advocacy requires both a superior understanding of the law and the ability to frame the dispositive legal issues within a compelling narrative.

From the moment a case is filed through appeal, Owen is focused on distilling intricate facts and legal concepts into a coherent, compelling story. An appellate specialist with a sharp business mindset, Owen's breadth of experience makes him an excellent addition to sophisticated matters requiring the high degree of precision appellate courts demand. Owen helps clients sort through complex legal issues to develop sound, persuasive arguments and strategies that help maximize the prospects of success both at trial and on appeal.

A dedicated student of legal argument and persuasion, Owen regularly handles appeals in the Supreme Court of the United States, the United States Court of Appeals for the Fifth Circuit, the Supreme Court of Texas, and courts of appeals across the state and federal system. Representing both plaintiffs and defendants, Owen brings his appellate expertise to bear in complex class action, mass tort and personal injury matters, as well as impact litigation involving constitutional claims.

As a federal law clerk at both the trial and appellate level, Owen handled cases at all stages of litigation and came to understand that clarity and credibility are the keys to persuasive advocacy. Owen brings this experience and an intense attention to detail to every stage of litigation, handling critical motions and jury charges across all areas of civil law.
