Seepan focuses his practice in commercial litigation and intellectual property disputes.

He has successfully handled several multi-million dollar and bet-the-company cases for plaintiffs and defendants in federal and state courts and arbitral forums nationwide. Drawing upon his skills and experience in the courtroom, Seepan thrives in distilling complex cases to themes and facts that resonate with judges and juries. In doing so, he employs a tireless work ethic, fierce tenacity, and unwavering integrity to advocate on behalf of his clients — ranging from major oil and gas producers, unicorn startups, and Fortune 500 companies to small businesses and individuals.

Seepan's IP experience includes litigating claims of patent and trademark infringement, misappropriation of trade secrets, and breach of licensing agreements. He has also represented companies from a variety of industries — energy, software, real estate, and telecommunications — in complex commercial cases involving allegations of fraud, breach of contract, and breach of fiduciary duty. Seepan was inducted into the *National Law Journal* Verdicts Hall of Fame for achieving the top jury verdict in Texas in a commercial dispute involving trade secrets and non-compete provisions in 2019.

Outside the courtroom, Seepan maintains leadership positions in the Houston community. He serves on the Board of Directors of the Houston Bar Association and the Harris County Dispute Resolution Center, and co-chairs the HBA CLE Committee. He is the recipient of the 2023 Houston Young Lawyer of the Year Award and the 2021 HBA President's Award. He was previously co-chair of the HBA Professionalism Committee and was the youngest-ever Chair of the HBA International Law Section. He has also served as President of the Stanford Alumni Club of Houston since 2018. In 2023, Seepan was the recipient of the Houston Young Lawyers Association Outstanding Young Lawyer of the Year Award and was named one of the Armenian Bar Association's National "20 under 40 Rising Stars". He is recognized as a Texas "Rising Star" in business litigation by Thomson Reuters *Super Lawyers* (2020-2024) and "Ones to Watch" by *The Best Lawyers in America* (2021-2025). His work has also been recognized by the *Texas Lawyer* and *National Law Journal*.

REPRESENTATIVE EXPERIENCE

• Intellectual Property Cases

- **Represented SandBox in an intellectual property dispute, securing a \$49.2 million judgment** and unanimous jury finding that Arrows Up and its CEO breached their contractual obligations and committed fraud by using information provided by SandBox under a non-disclosure agreement to design and market copycat products. In addition to monetary damages, the judgment awards SandBox title to and possession of the frac sand shipping containers that Arrows Up has manufactured, sold or leased since January 2015 based on the jury's finding that key features of Arrows Ups containers were derived from SandBox's design. Managed discovery, took and defended multiple depositions, prepared case for trial, examined witnesses during trial, and drafted and argued dispositive motions.
- **Pursuing claims for patent infringement and breach of contract on behalf of fracking services company against competitor in Texas federal court.** Prepared deposition outlines, drafted and prepared arguments for
